Additional Bills

AB 2439: Bowen: WATER SUPPLIES: DISCHARGES

Commencing June 1, 2004, recreational uses, with respect to a lake or reservoir that is part of a public water system or municipal water supply, shall not include the operation of watercraft propelled by a 2-stroke engine that discharges unburned fuel and oil as a function of its design. There are exceptions for engines with a power rating of 10 horsepower or less, or for certain emergency response activity. This bill would also prohibit selling any 2-stroke marine engine that discharges unburned fuel or oil as a function of its design on or after January 1, 1999.

STATUS: To Assembly Inactive File on the motion of Assemblymember Bowen, 5/27/98; notice of intention to withdraw from Inactive File by Assemblymember Bowen 5/28/98. In Assembly Notice to Withdraw from Inactive File, Item A-58.
